**The Woodstock Artists Association & Museum Announces
Active Members' Autumn Exhibition
September 24–November 7, 2021
Opening Reception: Saturday, September 25, 4-6pm**

Woodstock, NY – The Woodstock Artists Association & Museum is pleased to present the *Active Members' Autumn Exhibition*, on view September 24–November 7, 2021 in the Main Gallery. An opening reception for all five of WAAM's new exhibitions will be held on Saturday, September 25 from 4-6pm.

This presentation will include a broad selection of work by artists at various stages of their careers. The exhibiting artists have received Active Member status at WAAM either through selection for a solo exhibition, because their work was accepted into four juried shows over the course of two years, or because their work was accepted through WAAM's in-person or online Active Member jurying process.

Since its founding in 1919, WAAM's member artists have created some of the most notable artwork in the Hudson Valley region. Today, their work can be found in many important collections and institutions. This annual exhibition offers an opportunity for viewers to see and purchase the work of both experienced and newer artists who are creating cutting edge, innovative work.
