The Woodstock Artists Association & Museum Announces  

*Radius 50: Intimate Immensity*  
July 28 – September 24, 2023  
Opening Reception: Saturday, July 29 | 4-6pm

(Woodstock, NY) – The Woodstock Artists Association & Museum is pleased to announce *Radius 50: Intimate Immensity*, on view in the Main Gallery from July 28–September 24, 2023. *Radius 50* is an annual exhibition highlighting some of the best artwork in the Hudson Valley. This year’s presentation is juried by Susan Wides and James Holl of ‘T’ Space in Rhinebeck, NY, who selected work from a call for submissions from artists living within a 50-mile radius of Woodstock. WAAM will host a public reception to celebrate the opening of a new round of exhibitions on Saturday, July 29 from 4-6pm.

The exhibition centers around 20th Century French philosopher Gaston Bachelard's concept of *Intimate Immensity*, which offers a framework for understanding the vastness of daydreaming and the poetic imagination. Works on view explore the ineffable nature of human consciousness as artists draw on direct experiences to bring poetic imagery to life, and reflect on the infinite nature of thought, creativity and imagination.
